

Ref. SJICR/PER/2024

Dated: 23.05.2024

## **Press Release**

Sir/Madam,

### ***Greetings from Sri Jayadeva Institute of Cardiovascular Sciences and Research, Bangalore.***

We would like to inform you that the Department of Cardiovascular Surgery is organising the 'Jayadeva Mitral Summit - 2024' on 23-25th May 2024.

Mitral valve is the most common valve involved in both Rheumatic Heart Disease and Myxomatous disease, affecting approximately 24 million people worldwide. Jayadeva Hospital has been leading the charge in the surgical correction of mitral valve diseases. We have the distinction of being the largest centre for mitral valve repairs in South East Asia. We are hosting a conference to train Cardiac Surgeons all over the country in the novel methods of mitral valve repair to commemorate 100 years of the surgery. We are delighted to welcome Prof Gilles Dreyfus and Prof Patrick Perier from Paris to learn the skills of the 'French Correction' from the legends of the procedure. Till date, we have 180 cardiac surgeons from SAARC nations attending the Summit.

This conference is organized by Prof. PrasannaSimha, HOD, CTVS, Chief patron of the Conference is Prof. K.S.Ravindranath, Professor of Cardiology & Director, SJICR, Organizing secretary is Prof. Varadaraju, Treasurer, Prof. Jayanth Kumar H.V and SJICR team.

We would like to invite you to the Inaugural Ceremony of the Summit on the 24th May 2024 at 12 noon at the Jayadeva Auditorium adjacent to the Director's chambers. The short ceremony will be followed by lunch. Looking forward to hosting you at Jayadeva Institute.

Thank You

Yours sincerely

**Dr. K.S.Ravindranath**

Professor of Cardiology & Director, SJICR

**Prof PrasannaSimha Mohan**
