	Dr. Kumaraswamy	Department of Nucler Cardiology
	Ganagadhar Kallur	
	Dr. Kumaraswamy V	SJICR-ESIC MH Branch
	Dr. K.S. Sadananda	SJICR-Mysore Branch

b) Cardiac Surgery Division: OPD Days

Unit	Unit Chief	OPD Dates	O.T. Dates
I	Dr. Giridhar Kamalapurkar	Monday	Tuesday, Wednesday, Thursday, Friday
II	Dr. P.S. Seetharam Bhat	Tuesday	Monday, Wednesday, Thursday, Friday
III	Dr. Kumsi Sreedhar	Wednesday	Monday, Tuesday, Thursday, Friday
IV	Dr. Prasanna Simha	Thursday	Monday, Tuesday, Wednesday
V	Dr. K. Ashok Kumar	Friday	Wednesday, Thursday
VI	Dr. B. Girish	Saturday	Tuesday, Wednesday, Thursday
VII	Dr. Sathish Govindaiah	Saturday	Monday, Wednesday, Friday
VIII	Dr. Jayanath Kumar H.V Dr. Sunil P.K	Sunday	Tuesday, Thursday, Friday Monday, Tuesday, Friday

- vi) BIOCHEMISTRY The lab works round-the -clock.
- vii) NON-INVASIVE ECHO LAB ECG/Echo machines for non-invasive evaluation Cardiac evaluation.
- viii) STRESS LAB TMT machines to an end for cardiac evaluation.
- ix) NUCLEAR CARDIOLOGY Nuclear cardiology studies use noninvasive techniques to assess myocardial blood flow, evaluate the pumping function of the heart as well as visualize the size and location of a heart attack. Among the techniques of nuclear cardiology, myocardial perfusion imaging is the most widely used.

Procedures carried out in Nuclear Cardiology

1. Tc99m Myoview MPI (Myocardial Perfusion Imaging)
2. Tc99m Thyroid Scan
3. Tc99m MAA (Macro Aggregated Albumin)

- x) CARDIAC C.T. SCAN 64 Slice Cardica C.T. Scan Facility available. The risk of radiation exposure from CT is very small compared to the benefits of a well-planned surgery. C.T. Scanning provides medical information that is different from other imaging examinations, such as ultrasound, MRI, SPECT, PET or Nuclear Medicine. Each imaging technique has advantages and limitations.

xi)	PAEDIATRIC CARDIOLOGY	OPD Days:- Monday , Wednesday , Friday Unit Head:- Dr. M. Jayaranganath Prof. of Paediatric Cardiology
xii)	THE EMERGENCY OPERATION THEATRE	Emergency Operation Theatre Service is available round the clock with qualified surgeon on Duty and Super Speciality Post Graduates for assistances.
xiii)	THE BLOOD BANK	The Blood Bank functions entirely on Voluntary donation basis. It is a licenced Blood Bank.
xiv)	IN-PATIENTS	Patients admitted in General Wards are treated at minimal cost. Diet is provided at subsidized rates. One attender can stay with seriously sick patients. A pass will be issued to the attending relative/friend.
xv)	SPECIAL WARD	There are 20 beds in 15 rooms available in the Special Ward.
xvi)	DELUXE WARD	There are 36 beds available in the Deluxe Ward.
xvii)	FACILITY FOR POOR PATIENTS	Poor patients below low poverty line can claim for reduction in charges. Under the chairmanship of the Director a waive of Committee has been constituted. The other members of the Committee are Medical Superintendent, Financial Advisor, Chief Administrative officer.
xviii)	THE HEALTH	Faculty Members Duty Medical Officers Staff Nurses Para Medical Staffs Group-D Staffs Administrative Staffs
xix)	OTHER SERVICES	House Keeping/Security Services Lift Operators Laundry Electrical Substation & D.G. Sets Operation Operations for water supply & Fire Fighting Boiler Operations/Diet Services

xx)	THE HYGIENE	Cleaning is done by team of trained House Keeping workers as per Karnataka State Pollution Control norms Round-the-clock.								
xxi)	THE SECURITY	The Trained Security Guard safe guards and given guidelines to the public at all entry points.								
xxii)	EDUCATIONAL PROGRAMMES	<table><tr><td>a) PG SUPERSPECIALITY COURSES (Affiliated to RGUHSO</td><td>No. of Seats</td></tr><tr><td>1). DM Cardiology</td><td>21</td></tr><tr><td>2). M.Ch. (Cardiothoracic Surgery)</td><td>12</td></tr><tr><td>3). DM (Cardiac Anaesthesia)</td><td>08</td></tr></table>	a) PG SUPERSPECIALITY COURSES (Affiliated to RGUHSO	No. of Seats	1). 3). DM (Cardiac Anaesthesia)	08									

b) The following Degree Courses in Paramedical Health Sciences which are affiliated to RGUHS are also offered:

1. B.Sc. Cardiac Care Technology
2. B.Sc. Medical Lab Technology
3. B.Sc. Respiratory Care Technology
4. B.Sc. Operation Theatre Technology
5. B.Sc. Anaesthesiology Technology
6. B.Sc. Perfusion Technology

c) One Year Certificate Course. (affiliated to RGUHS)

1. Post Basic Diploma in Cardio-Thoracic Nursing.

d) Fellowship Programmes (affiliated to RGUHS)

1. Fellowship Programme in Invasive Cardiology
2. Fellowship Programme in Cardiac ElectroPhysiology.
3. Fellowship Programme in Non Invasive Cardiology.
4. Fellowship Programme in Clinical Paediatric Cardiology.
5. Fellowship Programme in Cardiac Aneasthesia
6. Fellowship Programme in Critical Care Medicine

[Section 4(1)(b)(ii)]

THE POWERS AND DUTIES OF ITS OFFICERS AND EMPLOYEES

The details of the powers & Duties of Officers and Employees of the Authority by Designation as follows.

310.	Smt. Suchithra	Staff Nurse	Nursing	A nurse by the very nature of her duties is in closer touch with the patients & therefore is in a better position to win his confidence, it is the duty of every nurse to uphold the noble traditions of her profession & dedicate herself to the care of patients in her charge. She should pay particular attention to her turnout & conduct. While maintaining the dignity & decorum of her profession, she must at all times be cheerful, kind & courteous & sympathetic towards her patients & their anxious relatives. These qualities along with professional skill will win her the respect and cooperation of her patients. She must remember that good nursing is as important part of efficient patient care as good doctoring.

[Section 4(1)(b)(iii)]

THE PROCEDURE FOLLOWED IN THE DECISION MAKING PROCESS, INCLUDING CHANNELS OF SUPERVISION AND ACCOUNTABILITY:

The Institute has two main constitutional bodies, namely, the General body and Governing Council. The General body formulates overall policies while the Governing Council is responsible for the management and administrative of the Institute. Both these bodies comprise members nominated by the Government of Karnataka from time to time. The Chairman of the General Body is the Chairman of the Governing Council. The Director of the Institute is its administrative and academic Head.

The Finance Committee, Building Committee are constituted by the Governing Council to consider and to recommend matters for approval of the governing council with regard matters related to the respective committees. Tender Inviting Committee and Tender Accepting Committees shall take decision for the procurement of goods and services.

[Section 4(1)(b)(iv)]

THE NORMS SET BY SRI JAYADEVA INSTITUTE OF CARDIOVASCULAR SCIENCES AND RESEARCH FOR THE DISCHARGE OF LTS FUNCTIONS:

1. The Department is open round the clock.
2. The accident and emergency department is maintained for treatment of patients suffering from any surgical and medical condition requiring immediate care.
3. The casualty medical officer will ensure that each case brought into the casualty is attended to at once and he will not 'pass the buck'. Specialists's advise may be sought depending upon the nature and severity of the patient's disease.
4. Cases requiring admission will be sent to the concerned ICU ward
5. Cases requiring observation will be sent to the observation ward
6. Registrars/medical officers will admit into the ward all patients requiring hospitalization, Cases requiring intensive therapy will be promptly admitted into the intensive care unit and immediate treatment.
7. The unit chiefs are responsible for complete clearance of the ward by 8am every day when their emergency duty is over.

DISASTER:

11. In the case of disasters, a special casualty clearing center will be created preferably in OPD.

MEDICO LEGAL CASES:

12. All medico-legal cases will be stamped MLC
13. Two copies of the medico legal case report will be prepared. Original copy will be handed over to the concerned police officer and the duplicate will be filled and kept in safe custody. The report will be written by the medical officer who first examines the patient. He will sign and date the report, and print his name and designation underneath.
14. The Medical officer who first examines the case is responsible for the completion and handing over the medico-legal report to the police within 48 hours of the arrival of the patient.

15. First aid treatment for the casualties will promptly be given before documentation.
16. The radiologist report should be attached to the relevant medico legal papers by the medical officer who initially examines the patient. He is also responsible for collecting additional information regarding medico legal cases admitted to the hospital from the specialists concerned.
17. Completed medico legal report only should be given to the police. Preliminary or interim report should not be given to anyone or to the police.
18. M.L.C. X-ray reports should be handed over to the M.O. Incharge or the sister incharge accident and emergency department and diagnostic value of the wet films should be seen by the radiologist before they are sent out of the X-ray department.

EMERGENCY BEDS:

The following documents will be maintained in this department:

- i) Ward inventory of non-expendible stores
- ii) expendible stores register
- iii) Linen register
- iv) Call book
- v) Night report
- vi) Treatment register
- vii) M.L.C. register and
- viii) Duty list M.O. I/C

DUTY LIST OF CASUALTY OFFICERS:

1. Medical officer In charge should be calm, polite, tactful and courteous at all time and should give no room for any complaint from any quarter.
2. He will record in the relevant register the name of the patient with complete address time of his arrival, provisional diagnosis and treatment given. He will also record the procedure carried out in the minor OT attached to the accident and emergency department either under general anaesthesia or local anaesthesia or without anaesthesia neatly under his signature.

3. He will be primarily responsible for giving initial treatment to the patient promptly.
4. He will refer cases to registers/specialists judiciously and speed.
5. He will certify the death of patient under his care.

DUTY MEDICAL OFFICER:

1. He will be on duty in the ward of the accident and emergency department round the clock to receive patients and to carry out treatment as advised by the register/general duty officer/specialist.
2. He will write the case sheet neatly without omitting any detail.
3. He will seek the advice of the register in the treatment of seriously ill patient as often as warranted.
4. He will be present at the time of death of the patient.

SWEEPER:

1. He will keep the area spick and span.
2. He will promptly give spotlessly clean urinals and bed pans as and when required by the patients
3. He will collect urine and stool specimens, take them to the laboratory for investigation and bring the reports.
4. He will assist in cleaning and disinfection of soiled linen, mattress and other articles.
5. He will do any duty as asked by his superiors in the interest of patient care.
6. He will assist the nurse in looking after the patients.
7. He will transport the patient to the various areas of the hospital as and when asked.
8. He will run errands and carry messages.
9. He will clean and dust beds, door, window and other furniture.
10. He will render first-aid to patients when required.
11. He will prepare dead bodies, arrange their transportation to the mortuary and assist in terminal disconnection.
12. He will do any duty as desired by his superiors in the interest of patient care.
13. He will be polite and courteous under all circumstances.

WARD MANAGEMENT-I

MEDICAL WARD:

1. Admissions through OPD or otherwise to the hospital should be centralized where possible. If no central admitting office exists, clerks posted to the ward concerned will deal with the record relating to admission of patients. Admissions outside OPD hours will be the responsibility of nursing staff on duty in the accident and emergency department.
2. Patients should be advised not to bring valuable things to the hospital.
3. Temperature, pulse rate and respiration rate should be charted by the attending nurse while admitting the patient.
4. Transfer of a patients to another ward in the hospital will be done only under the order of the senior medical-officer incharge.
5. On transfer of the patient, his medical record and belongings will be sent to the area concerned.
6. The receiving staff nurse will inform enquiry, telephone operator and the business office of the admission of all paying patients.

TREATMENT:

1. Treatment will commence only on the advice of the general duty medical officer or the specialist. There should, however, be no delay in the commencement of the treatment.
2. Oral or telephonic order regarding treatment by the specialist will be committed to writing by the house officer and got signed by the specialist at the earliest opportunity.
3. Specialist when he visit the patient should record also the time and date of his visit in the case record.
4. The specialist will ensure that his instruction order are meticulously compiled with by the junior medical staff and nursing staff.
5. The Nursing staff will write in the treatment book the prescription ordered by the register or specialist and carry out the orders as directed.
6. Periodical bacteriological test should be done and appropriate measures taken to control infection by the ward sister.

DISCHARGES:

1. Paying patients will normally be discharged before 5 pm. If they discharged before 1 PM, they will not be charged. If they are discharged after 1 pm, they will be charged for a full day.

2. Discharge order will be given only by the attending senior medical officer, on the case record.
3. Discharge order will be signed by the house officer and instruction for the patient will be clearly indicated in the order.
4. Discharge order for paying patient will not be given unless all dues are paid by the patient to the business office.
5. Discharge against medical advice should be done after taking in writing from the patient or his relation appropriate undertaking. The medical and nursing staff should however endeavour to see that the patient goes out of the hospital satisfied.

DEATHS:

1. Attending medical officer should be present at the bed side in the case of dying patients
2. Attending medical officer will pronounce the patient as dead.
3. Death report will be given by the House Officer only after lapse of an hour of pronouncing death.
4. Copy of the death report will be sent to the local authorities without delay.
5. The nearest relative of the patient will be informed of the death by the nurse or the house officer promptly either through a messenger or by phonogram.
6. The following documents will be maintained by sister incharge.
 - i) Ward inventory of non-expendible stores
 - ii) Expendible stores register
 - iii) Linen Register
 - iv) Call book
 - v) Bight report book
 - vi) Treatment register and
 - vii) Case records

WARD MANAGEMENT-II

SURGICAL WARD:

Intimation regarding operation of patient will be received by the sister incharge of the ward, 12 hours before the commencement. The operation list will include name of patient, bed number, ward diagnosis and operating theatre number. This will be written neatly in block letter or type written.

1. No operation will be scheduled on Sunday and holidays except emergency cases
2. Patient should be admitted to the hospital at least 12 hours before the day of operation.

3. Preoperative routine like arranging blood, collecting laboratory and X-ray reports, writing the history in the case record, is the responsibility of house officer. Clear instruction in this regard should be given to them by the register of the unit concerned.
4. Patients should be sent to the operating theatre on receipt of a message from the theatre and should not be allowed to remain in the corridor of the theatre unnecessarily.
5. The case record of the patient should accompany the patient to the theatre and returned to the ward with the patient after the operation with clear instruction regarding post operative treatment.
6. Medical officer should take special precautions to avoid post-operative infection generally and particularly in the case of Orthopaedic burns and other major surgical cases.
7. No visitor will be allowed in the nursery. Doctors and nurses entering the nursery must wear gowns and if they are suffering from upper respiratory infections, they must also wear masks.
8. Babies suffering from infection or other abnormal conditions will be kept in isolation nursery on the advice of the paediatrician.
9. Premature babies will be put in an incubator on the advice of the paediatrician.
10. Babies should be properly identified, Sex of infant, date and time of birth, mother's index finger print should be recorded on water proof and oil proof bands and fastened on wrist or ankle. Simultaneously unsmudged foot print of the baby is recorded on the case record of the mother.
11. Adequate security measures should be taken to prevent baby lifting
12. Children over 12 years will not be admitted to the paediatric ward.
13. One of the parents preferably the mother will be allowed to stay with child patient.
14. Dietician will prescribe the feeding formula for children in consultation with the paediatrician.

OUT-PATIENT DEPARTMENT:

1. Every patient seen in the OPD must be registered and an OPD card given by the clerk or the house officer, concerned.
2. The OPD consultation should be organized in such a way that there is continuity of treatment to the patient from the outdoor to the indoor.
3. Drugs should be prescribed only with reference to hospital formulary.
4. OPD dispensary, X-ray department and laboratory should be located so as to conform to patient flow. Their timings should be prominently indicated.
5. Special clinics will see cases only by appointment, Medical Record department or the medical officer or the nursing staff attached to the clinics will give the appointment.
6. Proper seating and cooling/heating arrangements should be arranged for OPD patients.

7. Doctor Incharge OPD and the sister incharge OPD should frequently take round to ensure smooth working of the OPD.
8. Clinical sheets, presentation chits, request blanks for laboratory X-ray and other ancillary service, changes slips should be adequately stocked.

MINOR OPERATING THEATER:

1. This should be kept infection free. It is desirable that there is one room for septic cases and one room for aseptic cases.
2. A list of minor operation undertaken in the minor OT should be prominently exhibited.
3. House surgeon may do minor surgery under the supervision of the registers.

INJECTION ROOM:

1. Nursing staff who administer injections should watch allergy or shock or untoward reaction and take appropriate remedies as advised by the medical officers.
2. Nursing staff should keep proper record on the OPD card of the injection given. Any death occurring as a result of injections should be enquired into by the officer incharge OPD and the preliminary report submitted to the Chief of the hospital.

DRESSING ROOM:

1. Major dressing are done preferably by medical or nursing staff. In case of minor dressing dressers or trained orderlies may do the dressing.
2. Aseptic precautions are strictly enforced in the dressing room.
3. Dispensary counter should be located on the way of the OPD.
4. A list of drugs issuable from the dispensary should be prominently displayed.
5. At no time drugs issuable from the dispensary should be out of stock.
6. At a time not more than three days dosage should be given. For more than three days upto seven days the Head of the unit should authorize the issue. For more than seven days Head of the Department should authorize the issue.
7. Proper account should be maintained for the receipt and issue of drugs. Receipt entries will be supported by the indent and issue entries will be supported by the number of doctors prescription.

X-RAY SECTION:

1. X-ray will be taken of OPD cases, particularly of the orthopaedic department with reference to the prescription of the hospital medical officers of the rank of Registers and above.
2. It will be ensured that charges where leviable are paid first before X-ray are taken
3. Nursing staff or a female attendant should be present when X-ray of the female patients are taken.
4. Types of X-ray taken in the OPD X-ray department will be prominently exhibited.

OPD LABORATORY:

1. The work of the department should be organized by appointment system and/or on 'first come, first served' basis.
2. Laboratory investigation will be made only with reference to the prescriptions of the hospital medical officers not below the rank of registers.
3. It will be ensured that charges where leviable are paid first before investigation are done.
4. Types of investigations done in the OPD laboratory should be prominently exhibited.
5. Responsibility should be fixed for erroneous laboratory reports and remedial action taken.

OPERATING THEATRES:

1. Duties of all categories of staff working in the theatres, recovery rooms should be specified and exhibited. Technicians besides attending to proper sterilization and arrangement of theater equipment, should be familiar with their routine maintenance and repair as well.
2. Duty roster of the subordinate staff should be prepared by the nurse incharge of each theatre, recovery room.
3. All the staff working in the theatres, recovery rooms should be given periodical exposure to aseptic procedures practiced in the hospital.
4. Operating for the next day should be consolidated at about 3pm in the afternoon of the previous day and prominently exhibited on the notice boards of the theatres and reception office.
5. Arrangements should be made for informing the relation of patients about the progress of the operations.
6. In case of death of a patient on the operating table, recovery room, the Chief of the Hospital should be informed by the officer incharge theatres for holding an immediate enquiry and for taking into his custody all relevant records of the case. This should be do in case of deaths in the hospital whether suspicious or otherwise by the unit concerned.
7. In the case of postponement of scheduled operations for reason other than medical, the officer incharge theatres should send a weekly written report to the Chief of the Hospital together with reasons.

8. The officer incharge of theatres should clearly issue written administrative and technical instructions for dealing with emergency operation as well as daily scheduled operations. He would also specify ward and theatre responsibility for preparing patients.
9. Consent for operations and anaesthesia to be administered should be obtained from the patient or from the nearest relation in case unconscious patients by the nursing staff in the prescribed form and attached to the case sheet. If no consent is forthcoming the surgeon concerned should decide the matter on merits of the case. In the case of a minor, written consent of either of the parents or the guardian of the patient is essential.
10. Radio opaque gauze should not be used for dressing.
11. The scrubbed nurse should control the number of swabs on the table.
12. The surgeon should keep the scrubbed nurse informed of the location of swabs in the operational field to facilitate her counting.
13. After the first count has been taken in the scrubbed nurse and the surgeon should carefully check the swabs still in use. After the closure of the wound a final count should be made.
14. The scrubbed nurse should check all the instrument on the operating table and the immediately before the operation.
15. As a rule the scrubbed nurse should not part with the second table till the first is returned to her by the surgeon.
16. X-ray facilities should promptly made available to operating theatres on request.
17. Foot wears used by the staff and visitors inside the operating theatres should be daily washed and cleaned. Different types or identifiable foot wears should be issued to the staff and to the visitors.
18. The following documents should be maintained in the operating theatres, labour rooms and recovery room as the case may be;
 - i) Operating register
 - ii) Operating list file
 - iii) Inventory of dead stock articles and equipment
 - iv) Indent books for expendible and non-expendible stores
 - v) Planned preventive maintenance schedules and
 - vi) Linen account

CATH LAB:

Over all 11 Cathlabs are available. The Cardiac Catheterization: Coronary Angiogram, angioplasty Stenting, Valvuloplasty, Device Closures, etc., are done everyday. **33885** Cath Procedures were performed in the year 2017. **(Highest in the Country), 19501** Angiograms done in the year 2017, **1167** Mitral Valvuloplasties done in the year 2017. **(Highest in the World). 9270** Angioplasties done in the year 2017. **(One of the Highest volume in the country).**

RADIOLOGICAL SERVICES:

1. This service should be organized conforming to work flow. Congestion of patients at any point of time or place should be avoided.
2. Duty roster should be prepared by the senior technician designated for the purpose by the officer incharge of the department and prominently exhibited and should be available for patients perusal.
3. The officer incharge radiological service should issue clear instructions in easily understandable language regarding preparation of patients for examination or X-ray.
4. The officer Incharge should have control of all X-ray machines located in the hospital. He should take particular care to see that all portable X-ray machines are in working order all the time.
5. The technicians should be familiar with routine maintenance of X-ray machines.
6. The medical officers viewing the films should indicate on the report whether the exposure was satisfactory. If unsatisfactory, he should inform in writing to the officer incharge of the department who will record the fact in the confidential dossier of the technician concerned, if warranted.
7. Instructions of the Atomic Energy Commission relating to radiation protection should be faithfully compiled with.
8. Storage of exposed X-ray films should be so done that retrieval of the required films is easy and quick. It is advisable that time limits are laid down for the destruction of unwanted films taking into consideration local requirements.
9. The following documents will be maintained in the department.
 - i) X-ray register
 - ii) Deep X-ray treatment register
 - iii) Cobalt bomb treatment register
 - iv) Inventory of non-expendable stores and equipment
 - v) Linen inventory
 - vi) Film account
 - vii) Radium needles account

- viii) Expendible stores account
- ix) Indent books.

LABORATORY SERVICES:

1. The organization of the services should be done in such a manner that repetitive non-time consuming tests are done near the patients in the wards or in the outpatient department, For this purpose besides employing laboratory technicians, hospital residents/house surgeons should be trained appropriately.
2. No test should be conducted in the laboratory without a written requisition of a medical officer/resident/junior resident. House surgeon should not send the requisitions except in emergencies, Whosoever send the requisition should print his name and designation and sign thereon. He should also indicate therein clinical notes of the patients in brief.
3. Requests for laboratory tests for emergency cases should be attended to expeditiously. Officer incharge of the division should see that this facility is not misused by ward and our patient departments. For this purpose he should arrange periodical discussion with the clinical staff particularly in the junior ones.
4. Laboratory reports should be signed by the person who did procedure and countersigned by the medical officer concerned.
5. Responsibility for rendering reliable laboratory report rests totally on the technician/house surgeon/junior resident who does the procedure.
6. Responsibility of the specialist in the field is to guide the juniors whenever required besides organizing the service in the interest of patient care.
7. It is desirable to organize refresher course for all technicians periodically to keep them well informed in the advancement of laboratory practices.
8. Technical procedure manuals should be written for standardizing laboratory techniques. Instruction for preparing the patients should be prepared in easily understandable language.
9. It is desirable that technicians are rotated in the various disciplines of the laboratory periodically so that they may gain all round experience.
10. Every effort should made to introduce appointment system so that the patient called has not to wait for long.
11. Procedure for collection of laboratory charges where leviable should be streamlined and made convenient for the patients.
12. In the interest of efficiency, automation should be introduced wherever possible.
13. Distribution of laboratory reports should be systematized to ensure that no report is placed for lost and the practice of giving duplicate copy of the report is minimized.
14. Preventive maintenance of all laboratory equipment should be done wherever possible.

BLOOD BANK:

1. Efforts should be made to associate Red Cross agencies, Voluntary Blood Transfusion Services or genuine social welfare agencies for the collection of blood. Professional donors should be eliminated as far as possible.
2. Though the Blood bank is technically under the Division of haematology it should function with a fair amount of independence in its day-to-day working as it has no show good amount of initiative for attracting voluntary donors.
3. Routine instruction of the Blood Bank about the collection and issue of blood should be strictly compiled with except in the case of real emergencies.
4. Blood Bank should be closely associate with operating theatres and emergency departments. The manner of associate should be decided by the Chief of the Hospital taking local factors into account.
5. It is imperative that resident/house surgeons are posted to Blood Bank by rotation for learning the techniques of Blood Bank and transfusion service.
6. The following documents will be maintained in the laboratories as the case may be;
 - i) Laboratory examination register
 - ii) Inventory of non-expendible stores and equipment
 - iii) Expendible stores account
 - iv) Indent book
 - v) Blood donation register
 - vi) Blood issue register
 - vii) File of blood requisitions

MEDICAL RECORDS:

1. The organization of this department will be divided into various desks as follows.
 - a) Central admitting and enquiry services and preparation of patients name index cards.
 - b) Census of inpatients
 - c) Assembly of records
 - d) Typing out discharge list of internal use
 - e) Admission and discharge statistical analysis
 - f) Completing of records
 - g) Coding of disease and operative procedures
 - h) Indexing-diagnostic and operation coding
 - i) Filing

2. Court summons for production of medical record should be honoured. This is the personal responsibility of the technician concerned.
3. The department will compile a monthly report of medical statistics required by hospital administration.
4. The department will assist the medical staff in their research work when needed.
5. There should be a regular task force for weeding out old records. The minimum recommended period of retention is ten years.
6. This department should not part with their record to any outside agency without permission of hospital administration.
7. Medical records should not be issued to hospital staff indiscriminately. They should be issued only on the written requisition of the Head of departments or hospital administration.
8. This department should not divulge the contents of any medical record to anyone without the permission of hospital administration.
9. Medical officer only will be competent to sign the report/certificates. All other routine certificates like birth certificate, death certificate may be signed by a trained medical record officer if they do not infringe any statutory requirement.

Pharmacy (Hospital Stores)

All the drugs & Disposable, consignments items-stents, grafts, pacemakers, Linen & bandages materials are procured as per transparency act and stored at stores Department, for the use of inpatient of Sri Jayadeva Institute of Cardiovascular Sciences and Research. These items are issued to all the wards and O.T's on obtaining the indent from the concerned Head from the wards & O.T's.

The drugs & disposables will be issued on verification of the expiry date by the phamacists.

The time expired drugs & disposable should be weeded out systematically.

All drugs particularly narcotics should be kept under safe custody.

The items stocked for cleaning the hospital purpose should be issued on indents from the concerned heads.

The physical stock verification should be conducted every financial year.

The following documents will be maintained in this Department.

1. Day Book
2. Stock Ledgers
3. Indent forms date wise-file
4. Monthly indent file
5. Stores correspondence file
6. Drugs License file
7. Purchase order file
8. Bill copies file.

[Section 4(1)(b)(v)]

THE RULES, REGULATIONS, INSTRUCTIONS, MANUALS AND RECORDS HELD BY SRI JAYADEVA INSTITUTE OF CARDIOVASCULAR SCIENCES AND RESEARCH UNDER ITS CONTROL AND USED BY ITS EMPLOYEES FOR DISCHARGING ITS FUNCTIONS;

1. The Karnataka Societies Registration Act 1960 and Rules 1961.

A STATEMENT OF THE BOARDS, COUNCIL, COMMITTEES AND OTHER BODIES CONSISTING OF TWO OR MORE PERSONS CONSTITUTED AS ITS PART OF THE PURPOSE OF ITS ADVISE, AND AS TO WHETHER MEETINGS OF THOSE BOARDS, COUNCILS, COMMITTEES AND OTHER BODIES ARE OPEN TO THE PUBLIC OR THE MINUTES OF SUCH MEETINGS ARE ACCESSIBLE FOR PUBLIC.

I) The Administration of the Institute shall be vested in the Governing Council shall be;

1. The Hon'ble Chief Minister : Chairman
Government of Karnataka
2. The Hon'ble Minister for : Co – Chairman
Medical Education,
Government of Karnataka
3. The Addl. Chief Secretary and : Member
Principal Secretary to
Government
Planning Department
4. The Principal Secretary to : Member
Government
Finance Department.

5. The Principal Secretary to Government Health & Family Welfare Dept. : Member
6. The Secretary to Government, Health and Family Welfare Dept., (Medical Education) : Member
7. The Director of Medical Education Government of Karnataka : Member
8. The Vice-Chancellor Rajiv Gandhi University of Health Sciences Bangalore. : Member
9. Dr. M.A Rasheed Shahabad, Chittapura Taluk Kalaburagi Dist. : Member
10. Dr. Srinivas S/o. Late. Ramaiah Chinthamani Taluk Chikkaballapura Dist. : Member
11. Sri. N. Y. Gopal Krishna Member of legislative Assembly Ballary Rural Ballary. : Member
12. Sri. Bhaskara Babu S/o. Sri Huligeppa House No. 4-4-93/10, Jaheera Bad, Raichur Taluk & Dist. : Member

13. Dr. Siddanagouda Yalagouda : Member
Patil
Yarabatti, Rayabhag Taluk
Balagaum Dist.
13. Sri. A.C. Shadakshari : Member
Sri Jayadeva Trust
No. 77, Surveyours Street
Basavanagudi
Bangalore – 560 004.
15. The Director : Member Secretary
Sri Jayadeva Institute of
Cardiovascular Sciences and
Research
Bangalore-560 069.

II) There Shall be a standing Financial Committee. The Composition of the Finance Committee shall be:

1. Commissioner and Secretary : Chairman
Finance Department,
Government of Karnataka
Vidhana Soudha
Bangalore-560 001.

4. Special Officer PWD (Finance Cell) Finance Department, Vidhana Soudha, Bangalore-560 001. : Member
5. The Chief Engineer, C & B, PWD K.R. Circle, Bangalore. : Member
6. Director of Medical Education, Anandrao Circle, Bangalore-560 009. : Member
7. Director Sri Jayadeva Institute of Cardiovascular Sciences and Research , Bangalore-560 69. : Member Convener

V) There shall be a Selection Committee. The composition of the Selection Committee shall be:

a) For the post of Director:

1. Chairman, Governing Council : Chairman
2. Co-Chairman, G.C : Member
3. Two Experts from outside the State nominated by the Governing Council : Member
4. Director, Medical Education : Member-Secretary

b) For the Post of Professor:

1. Co-chairman : Chairman
2. Principal, Bangalore Medical College : Member
3. One outside expert : Member
4. Vice-Chancellor, Rajiv Gandhi University of Health Sciences or his nominee : Member

5. Head of the concerned Dept. : Member
6. Director, SJICR : Member-Secretary

c) For the post of Assistant Professor & Associate Professor:

1. Director, SJICR : Chairman
2. Prof. & Head of the Dept. of : Member
concerned speciality of
Bangalore Medical College
3. Nominee of the Secretary of : Member
Govt. HFW Dept.
4. Nominee of Director of Medical : Member
Education
5. One representative from Rajiv : Member
Gandhi University of Health
Sciences
6. Head of the Dept. of concerned : Member
subject in the Institute
7. Medical Superintendent : Member-Secretary

d) For the post of Gazetted/Technical/Ministerial Posts:

1. Director, SJICR : Chairman
2. One nominee of the Secretary to : Member
Govt. HFW Department
3. One nominee of the Director of : Member
Medical Education
4. Medical Superintendent, SJICR : Member
5. Administrative Officer : Member-Secretary

e) For other Categories of Posts:

- | | |
|----------------------------------|------------|
| 1. Director, SJICR | : Chairman |
| 2. Medical Superintendent, SJICR | : Member |
| 3. Administrative Officer | : Member |

VI) PROMOTION REVIEW COMMITTEE:

- | | |
|----------------------------------|---------------------|
| 1. Director, SJICR | : Chairman |
| 2. Medical Superintendent, SJICR | : Member |
| 3. Administrative Officer | : Member- Secretary |

VII) TENDER INVITING AUTHORITY:

- | | |
|---------------------------------|---------------------|
| 1. Chief Administrative Officer | : Chairman |
| 2. Concerned HOD of SJICR | : Member |
| 3. Financial Advisor | : Member- Secretary |

VIII) TENDER SCRUTINY COMMITTEE:

- | | |
|---|---------------------|
| 1. Medical Superintendent | : Chairman |
| 2. Chief Administrative Officer | : Member |
| 3. Concerned HOD | : Member |
| 4. One External Expert | : Member |
| 5. Deputy Secretary, HFW Dept. | : Member |
| 6. Representative from Finance Department | : Member |
| 7. Representative from Drugs Control Department | : Member |
| 8. Financial Advisor | : Member- Secretary |

IX) TENDER ACCEPTING AUTHORITY:

1. Director : Chairman
2. Medical Superintendent, SJICR : Member
3. Chief Administrative Officer : Member
4. Concerned HOD of SJIC : Member
5. One External Expert : Member
6. Financial Advisor : Member- Secretary

[Section 4(1)(b)(ix)]

A DIRECTORY OF ITS OFFICERS AND EMPLOYEES

AND

[Section 4(1)(b)(x)]

THE MONTHLY REMUNERATION RECEIVED BY EACH OF ITS OFFICERS AND EMPLOYEES, INCLUDING THE SYSTEM OF COMPENSATION AS PROVIDED IN ITS REGULATIONS;

Sl. No.	Name of the officer/employee	Designation	Department/ Section/ Branches	Pay Scale	Working Address	Phone No.
1.	Dr. C.N. Manjunath	Professor of Cardiology & Director	Cardiology	<u>Consolidated Pay</u> Rs. 2.05 Lakhs Per Month	Sri Jayadeva Institute of Cardiovascular Sciences and Research, Bangalore-69.	080- 22977456
2.	Dr. Shankar S	Prof. of Cardiology & Medical Supdt.	Cardiology	37400-67000 +AGP 10000	-do-	080- 22977255
